

### QUALITY ASSURANCE

*Easily comply with norms and standards*

- **Food Forum IFS Food & Food Law:** Well-prepared for the next audit: current information & judgements, practical examples & networking

### SUSTAINABLE PRODUCTION

*Ecological and economic efficiency hand in hand*

- **CirQualityOWL plus:** Closing loops at various levels with Circular Economy: from resources and recyclable materials, to components and parts, to products and building. [www.cirqualityowl.de](http://www.cirqualityowl.de)
- **TransformERN:** Growing, producing, processing, and distributing food more sustainably and thus contributing to NRW as a climate-neutral production location. [www.transformern.nrw](http://www.transformern.nrw)
- **RE-WITCH:** Deliver cost-competitive, game-changing solutions in the field of sustainable industrial cooling and heating. [www.re-witch.eu](http://www.re-witch.eu)

### DIGITAL TRANSFORMATION & TECHNOLOGIES INTO PRACTICE

*Exploiting opportunities and potentials for practice*

- **HIGHFIVE:** Support solutions to make the agri-food sector more digital and sustainable through knowledge transfer, study visits and funding vouchers. [www.highfive.ss4af.com](http://www.highfive.ss4af.com)
- **Food-scaleUp:** Activities for small and medium-sized enterprises and start-ups to establish effective and resilient regional and pan-European networks. <https://food-scaleup.com>

### DEVELOPING PERSONNEL

*Solutions for HR development and talent support*

- **Human Resources Managers' Circle:** Regular professional exchange on relevant human resources topics. Membership is required, but guests are welcome!
- **Needs analyses:** for in-company training, with personnel first check and e-learning tool.

### INTERNATIONAL NETWORKING

*Opening-up new sales markets abroad*

- Partner of **Smart Solutions 4 Agri Food:** [www.ss4af.com](http://www.ss4af.com)
- Partner of **NRW.Europa:** [nrw.europa.de](http://nrw.europa.de) (EEN)
- Member of advisory board at **Food Made in Germany e.V.**
- We support **market analyses, market explorations, and delegations** (inbound/outbound).
